Frequently Asked Questions

Who do I contact if I have any questions about Student Life Camp?

Contact the First Students team at fbcostudents@fbcofallon.org

What will accommodations and room arrangements be like?

This depends on the location where our camp is hosted. The majority of Student Life Camp locations use dorm rooms with 2-4 beds and shared bathrooms or community bathrooms. Specific information will be shared with parents as the camp date approaches.

Can I send my Jr. High student to Student Life Camp?

Unfortunately, no. While Student Life allows 7th and 8th Grade students to attend their camp, we take our Jr. High students to Fuge Camp instead.

Who will be watching over my student while at camp?

From First Students, we bring one adult for every 5-7 students. These adults are screened, background checked, and trained before attending camp.

Is there any financial assistance available?

Yes! This year, we are starting something we're calling the HelpGo Camp Scholarship. This is a specific scholarship that provides financial assistance because cost should never be a reason why a student cannot attend camp. When registering your student, a form will be available to request the HelpGo Camp Scholarship. For any questions, please contact the First Students team at fbcostudents@fbcofallon.org.

What does the camp cost go toward?

We charge as close to the cost of camp as we can while being able to buy some small supplies for the camp that we often need. We do not charge students for transportation or other costs that could add to the cost of registration.
