Students are allowed to bring their phones but are asked to leave other electronics at home. We ask that students refrain from using their phones during key times.

MEDICATION

Students will often need to bring their own medication for the weekend and as such, our guidelines have changed. Please see what you need to do with your student's medication:

OVER-THE-COUNTER MEDICATION

Any type of OTC medication can be kept with the student and does not have to be turned in on Saturday morning (ex: ibuprofen, allergy medication, etc.) as long as you believe your student will follow the instructions appropriately. If not, please turn in the medication to your student's group leader.

PRESCRIPTION MEDICATION

Any type of prescription medication needs to be turned in on Saturday morning (ex: adderall, diazepam, etc.) and a medication form should be completed. The medication will be given to their group leader and given to student when necessary.

CAMP NURSE ON SITE

Should there be any type of medical assistance your student needs, a retreat nurse will be on-site the entirety of the weekend. Please let us know if your student will need assistance that requires medical attention.

FOOD / HEALTH

FOOD:

At Camp Mihaska, there will be allergy friendly meals prepared for students. Please let us know ahead of time if your child has a food allergy so the camp can prepare ahead of time!

SICKNESS

Should a student show symptoms of a contagious illness, we ask that your student stay home so that other students do not get sick. In this case, a partial refund can be provided. Should a student get ill during the weekend, parents will be contacted to discuss the best course of action. If a student is sent home, a refund cannot be offered.

HOMESICK

Students often experience homesickness on these weekends and request to leave early. Should this happen, and a parents/guardian chooses for their child to leave, they will have to make arrangements to pick up their student, and a refund cannot be offered.

TIME AWAY CARDS

Should a student need to arrive late or leave early, parents must complete a time away card which informs us of the student's whereabouts. This is for the student safety and knowledge of their location. Students are not allowed to drive themselves to the retreat location and need to make arrangements for a parent/guardian to provide transportation.
